PathwayZ

From Grassroots to
GOLD & GLORY
India's Pathway to
2036

PROGRAM OVERVIEW

PathwayZ36 is a dynamic initiative designed to identify and nurture young athletes with exceptional potential. The program provides a structured pathway to professional excellence through specialized training, expert coaching, and access to competitive opportunities. By focusing on holistic athlete development, PathwayZ36 empowers participants to excel in their chosen sports while fostering discipline, resilience, and teamwork.

TALENT IDENTIFICATION

- Athletics Assessments involved over 100 student-athletes from 15 different Sport Development Centres.
- Comprehensive trials conducted across a diverse range of athletics events, showcasing versatility and talent evaluation in multiple disciplines.
- Evaluated candidates based on their strength, skill sets, and performance metrics to identify and shortlist top talents.

SELECTION OF ATHLETES & COACHES

- Selected 20 exceptional athletes, based on their physical assessments, performance and potential.
- Collaborated with elite national-level coaches to deliver Sport-specific performance training programs
- Secured a dedicated Sports Development Centre to facilitate advanced performance training and athlete development.

TRAINING & DEVELOPMENT

- Certified coaches designed personalized training plans to cater to the unique strengths and development needs of each athlete.
- Developed customized nutrition plans to optimize athletes' performance, recovery, and overall well-being.
- Regular performance training sessions at Rajkiya Inter College, Noida, focusing on enhancing athletes' strength, endurance, and agility.

HOLISTIC APPROACH

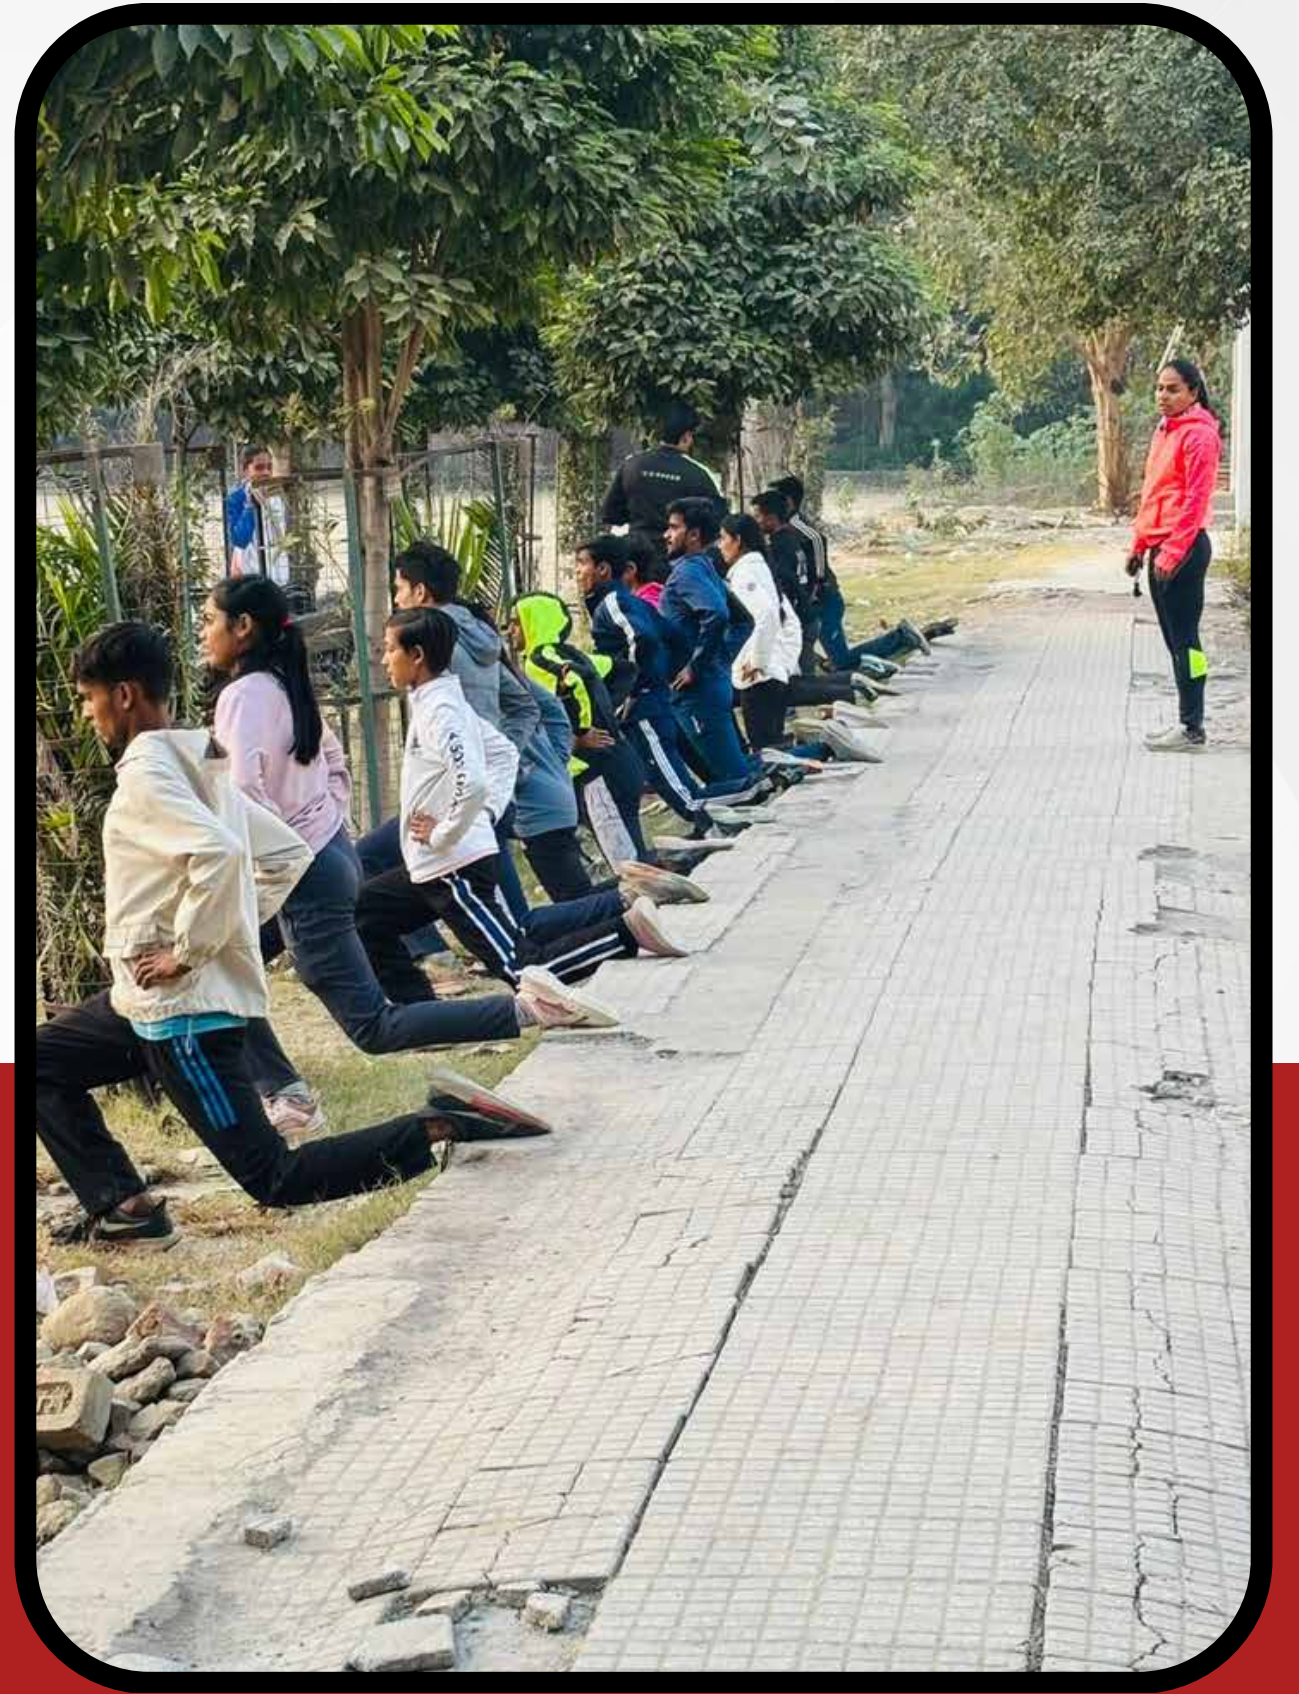

In addition to sports training, we are committed to holistic development by incorporating sports science and educational workshops. This approach combines cutting-edge performance techniques with knowledge-building sessions to nurture athletes' physical, mental, and intellectual growth, fostering success both on and off the field.
