

Sporting Dreams Take Udaan in Rural Rajasthan

In partnership with

Objective

Run in collaboration with Chambal Fertilisers and Chemicals Ltd, Project Udaan is dedicated to enriching the lives of young people in rural Rajasthan by providing them access to early and high-quality sports and physical education, thereby fostering holistic well-being as well as higher sports participation.

Implementation

At the heart of Project Udaan is Sportz Village Foundation's structured sports & P.E. curriculum focused on enhancing the health & well-being of children. Complementing this, the sports excellence program, PathwayZ hones the skills of talented student-athletes in Kho Kho, Kabaddi and Athletics, preparing them to represent their schools at district, state and national tournaments.

Voices from the ecosystem

Sportz Village Foundation has opened up numerous opportunities for our students to participate in community sports events and tournaments, inspiring more of them to get involved. With regular training, they are not only becoming more active but also growing into skilled athletes. ”
